# RMS ENGINEERING AND CONSTRUCTION PTY LTD

2/71-73 DENHAM STREET, ROCKHAMPTON,  
QLD, 4700

Trinity College Gladstone highly commends RMS for the recent project completed on our school grounds. The team, led by their project manager, Cameron Jones, were efficient and hard-working, preparing the area for bitumen to be laid.

The project was delivered on time and within budget, and the communication and level of professionalism was well received. Providing customers with great service is an important ingredient of promoting good business and RMS have delivered.

Trinity College would be pleased to appoint RMS for any road works or similar projects in the future.

SINCERELY,

JENNELLE ANDREW  
OPERATIONS MANAGER  
TRINITY COLLEGE GLADSTONE
